

PRODUCT RISK ASSESSMENT SHEET

**Excedo 3.1 Ultra-Bac Spray & Wipe -
6 X 750 ml****Ordering code: GC201003****What is it**

It will clean and sanitise frequently touched items such as door handles, tables, banisters etc. and is suitable for damp mopping floors. Independently proven to kill the HIV, Hepatitis C and H1N1 Influenza viruses. Also certified to kill Clostridium difficile, MRSA, Norovirus and common food poisoning bacteria including Salmonella typhimurium, Listeria monocytogenes and Escherichia coli.

When to use it

It is an essential everyday product in the fight against cross infection. It is particularly suitable for use in the care home sector. Bleach free, non-hazardous, non-toxic and safe to use on all common water washable surfaces. It is pleasantly perfumed and leaves a freshly cleaned fragrance to rooms.

How to use it

Spray on and wipe off in the normal manner and leave to air dry. No need to rinse. Heavily soiled surfaces should be cleaned prior to disinfecting.

First Aid Measures**Inhalation**

Move affected person to fresh air and keep warm and at rest in a position comfortable for breathing.

Ingestion

Do not induce vomiting. Get medical attention. Give plenty of water to drink. Rinse mouth thoroughly with water. Never give anything by mouth to an unconscious person. Do not induce vomiting.

Skin Contact

Rinse with water. Get medical attention if any discomfort continues.

Eye Contact

Remove any contact lenses and open eyelids wide apart. Continue to rinse for at least 15 minutes. Get medical attention if any discomfort continues.
